### INDEPENDENT AUDITORS' REPORT

To the Members of The Kerala Agro-Industries Corporation Limited

### Report on the Financial Statements:

We have audited the accompanying financial statements of THE KERALA AGRO-INDUSTRIES CORPORATION LIMITED, which comprise the Balance Sheet as at 31 March, 2016, the Profit and Loss Statement and Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements:

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility:

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial

Ravi & Sabin

reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Meaning of Internal Financial Controls over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Other Matters:

- a. During the year the Corporation while grouping its dormant book balances, erstwhile classified as current assets and current liabilities, that were being carried forward from earlier years aggregating to a net credit balance of ₹.25,63,408 as stated in Note 5. We have not verified the nature of the grouping done or the effect of such grouping on the reported balance of 'Reserves and Surplus' as stated in Note 3 of the annual accounts.
- b. The Corporation has not classified the suppliers of goods and services as required under the provisions of Micro, Small and Medium Enterprises Development Act, 2006 and hence we are unable to quantify and report the payments made beyond the 'appointed day' and the interest that remain unpaid to such Enterprises as on 31 March 2016.
- c. The Corporation is not maintaining proper records for its tangible and intangible assets as required under the Companies Act, 2013. The available record is only a tabulation of the book value of its Properties, Plant and Equipment. The management has refrained from conducting periodical physical verification of such assets. Further, the Corporation has not complied with the mandatory Accounting Standard AS-10 'Accounting for Fixed Assets' issued by the Institute of Chartered Accountants of India.

- d. The Trade Receivable as per Note 13 includes outstanding aged for more than three years ₹.10,97,86,276. The Corporation has not made any provision for doubtful debts and hence the reported operating loss has been understated to that extent.
- e. In the course of examination of the books of account, we have come across so many entries passed for transferring balances in various accounts of parties with whom the Corporation has/had business relationship. These journal entries practically wiped off many accounts involving substantial value of the current assets and current liabilities as appeared in the books of account. Such journal entries are passed before obtaining due authority from the management and the ulterior motivation, if any, behind nullifying amounts due to or payable by the Corporation needs further scrutiny. We did not quantify the gross and net effect of these entries.
- f. During the year under review, the Corporation prepared its books of account by engaging a Firm of Chartered Accountants. We observe that the same Firm has also been engaged as the internal auditors for the year.
- g. The Corporation has not made provisions/ disclosures for the year in respect of the mandatory accounting standards 'AS 2 - Valuation of Inventories', and 'AS 28 - Impairment of Assets' issued by the Institute of Chartered Accountants of India.

Our audit opinion is not modified in respect of the above matters.

### Opinion:

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Corporation as at 31 March 2016, and its loss for the year ended on that date.

  - (f) The Corporation has not established its system of internal financial controls over financial reporting as stated in the Guidance Note issued by the ICAI and that constitutes a scope limitation that prevent us from obtaining the reasonable assurance necessary to express an opinion and hence we are not issuing a separate report on internal financial controls over financial reporting as at 31 March, 2016.

### DELAY STATEMENT.

### Reasons for delay in finalisation and Audit of Annual Accounts for the year 2015-16.

The Annual Accounts of the Kerala Agro Industries Corporation have been in arrears for the last few years. It was because of the cumulative effect of the previous years' delay that there was accumulation of arrears in audit and accounts. The accumulation of arrears was mainly due to shortage of adequate staff having knowledge in Accounting and finalization of Accounts. The huge volume of transactions and compilation & consolidation of accounts of 26 units were other reasons for accumulation of arrears. The Annual Accounts of previous year (2014-15) could be certified by the Auditors only on 20-12-2021 and adopted in the adjourned annual general meeting held on 07-02-2022. The delay in finalisation and audit of 2014-15 accounts was occurred due to the outbreak of COVID 19 pandemic and declaration of lock down by central government with effect from 24-03-2020 which continued for a long time and which leads to delay in finalisation and audit of Accounts.

We have engaged Chartered Accountant firms for the preparation of accounts from 2016-17 to 2020-21 and Provisional Accounts submitted to state government by the end of March 2022. Thus a time of 3 months consumed for preparation of provisional accounts up to 2020-21.

The Statutory Audit for the year 2015-16 commenced by middle of March 2022 and the Annual Accounts 2015-16 certified on 04-07-2022. The Annual Accounts along with Auditor's Report were sent to Comptroller and Auditor General of India on 05-07-2022 and Comments of C&AG received. The directors Report along with comments of C&AG was placed in the Board meeting held on 10-08-2022. Thus there is no delay from the date of adoption of last year accounts because only a time of about 5 months consumed for certification of 2015-16 accounts from the date of adoption of 2014-15 accounts. Delay was actually occurred up to the year 2014-15 and the present delay is unavoidable and beyond our control.

Now actions have been initiated for finalization and audit of arrear accounts from 2016-17 onwards and which will be completed in a time bound manner.
